For my best friend and brother Don. Life will be duller and darker without you being here. I'm going to miss our time together. Watching our favorite TV shows. Our long chats at night. Talking about our vacation plans to go traveling. Now you can go wherever you want Bubba. Fly far my brother. I love you and miss you.

We always looked forward to summer that ment you and your mom would be traveling back to New York. Cook outs, camping, the stories we would tell each other and all that went with it. But the best part of all that was just seeing you and Jackie again. Untill we see you again we love you guys.
