I have so many memories of Carmen and of her hospitality. She hosted many great and entertaining meals that were so much fun. I enjoyed her sense of humor, her creative side and her willingness to help others with projects. Memories of her designing small personal Christmas trees and working on the family cookbook are a few of my favorites. I can still remember the calls I would get from Carmen asking me to run across the street and check on Welli, because she hadn't answered her phone. Needless to say I would run across the street and tell Welli to call Carmen back. Carmen was a good daughter, sister and wife to be sure. Please accept my deepest sympathies for your immeasurable loss. Jill Hershock

I am so glad we had a nice chat only a couple weeks ago. You will be missed when I meet with Sylvia and Robin for a bite to eat on a Wednesday night. Thank you for all the wonderful holiday meals I enjoyed with your family at your home and dancing to Joel's music machine!
