My condolences to the Alicea family!! Your dad was a strong man, Ill never forget that he didn't let brain surgery keep him from my attending my sweet 16. Take that strength of his and hold it near to your heart. Your heart is gonna need the strength to get through this unfortunate loss and pain it causes!!

Our deepest condolences to the family. Yes Bill was loved and he cared so much for others. Will always appreciate his calls and visits to Orlando. Every time he found out Orlando was sick, he would be one of the first to call. Always admired the way he dressed, impecable and neat, oh and how he loved his children and his grandchildren. Always there to help babysit.Bill you will be missed and your memories will be with us, RIP. Our prayers for Jeannette, Ashley, Christopher and grand children. Love and hugs, Norma and Orlando 🙏❤️🌸
