Lily was my neighbor for many years. She was so kind. My children adored her, and she was like family to us. Though we lost touch in later years, she will always have a special place in our hearts. We are so sad for Bahaa and other family. Our thoughts and prayers continue to be with you.

My Aunt was a pioneer, first Women from Middleeast origins to work at NASA. She was a beacon and an inspiration to everyone in our family, strong and healthy, kind and compassionate, the best of everything. Can't be more proud to have had such an amazing Aunt. We love and miss you.
