Aewsome coach. I went to two rival schools in the 1970's (Edison and Miami High - beat both)... He had great players: Kelly Burney, Norbert Cobb, Robert dollar, joe McCall, Fred Robinson, James Lowery, Jeff and David Carmichael, Kent Davis...1976-1980 (my years). God bless his family and YOU WILL see him again.

A great man who walked the halls of Miami Jackson Senior High School with immense dignity and grace. I didn't have many interactions with Coach since I did not complete an athletic career. I learned early though that it was valuable to watch Coach Gino and to listen whenever I could hear him speak. I graduated in 1970 and always think about the quality of men I had as teachers and role models in high school. Thanks for the example Coach.
