As I type this up I'm trying to think of words but nothing is coming out. My best friend , my sister , my person , it's hard knowing you won't be here on this earth no more ,that I can't call you and tell you about my day or even you telling me about Angie and how beautiful she is. I know you are looking down right now and when I see you tomorrow make sure it's really sunny so I know you are there . I love you beautiful and I will see you in the next life 📞❤️

My heart is so torn into pieces knowing that you are no longer here in the physical with us, we spoke everyday via text, Instagram or whatever it was. Kiara you were like my niece. Mama you brought such a beautiful loving presence when you were around and always carried that beautiful smile. I just wish you were still here with us to watch your princess grow and be the family you wanted to be with my cousin David. I promise you that we as a village will be here for Angelina with whatever she needs that's my promise to you. God needed his Angel back and he came for you way to soon but now we've gained an Guardian Angel. Kiara May you Sleep in Peace and fly besides David & Angelina until we all meet again.. We love you so much and we will Keep your name Alive.. Forever Kiara RIP Beautiful ❤️🙏😭❤️

Kiara was a beautiful young soul, she touched everyone she met with her infectious smile. The Lord called her home weeks after gifting the world with a beautiful baby girl. May she rest in Eternal Paradise, I was blessed to have you as a niece.
