Juanita Francis Darrigo

NOV 4, 1928 - FEB 24, 2024

When I go When I go, don't learn to live without me, just
learn to live with my love, in a different way.

And if you need to see me, close your eyes, or look in your shadow, when the sun shines, I'm
there.

Sit with me in the quiet and you will know, that I did not leave.

There is no leaving when a soul is blended with another. When I go, don't learn to live without
me, just learn to look for me in the moments.

I will be there

Nana you will always be in my heart and in my thoughts. I love you forever and will always miss you. I was so lucky to have had you in my life as long as I did and to have you as a grandmother. Your loving kind heart will live on within all of us. Thank you for being you. RIP

When someone passes, we tend to reflect on our personal connections to that person. Donna shared some great pictures of Aunt Nita & I would comment on how happy she always looked. They never skipped a Saturday shopping spree with a lunch break at some of their favorite spots. I remember a special dinner at The Colonnade restaurant with 7 family members and we were able to bring together 2 special Aunts.....Aunt Nita & Aunt Lucy. These are the times we never forget & only wish that there could have been more. Big hugs to Donna, Carl Alan & their entire family, Charlotte & Craig Borter
