Tammie's smile always lit up a room. I have so many wonderful memories of us growing up. All of us cousins played together all the time. Tammie, I know now you are catching up with all of our relatives that went to Heaven before you. Rest in peace now with no pain until we meet again. My prayers and thoughts will continue being with your wonderful husband, and sweet family, Gracie, Dylan and Abigail.

So beautiful my friend, it hurts me to arrive at your house and not see you, it hurts not to receive those beautiful messages that you always wrote to me, you were so good to me that I have no words that can express the pain that I have in my heart, and although your departure fills us with sadness, your memories fill us with love, you will always be in my heart, rest in peace friend ❤️🙏
