## **Mercedes G Naranjo**

DEC 15, 1938 - SEP 6, 2024

**M**ercedes G Naranjo "Nana" Loving mother, grandmother and wife. Beloved by her entire family and all her friends that knew her as Mercie, passed away unexpectedly on September 6th, 2024 in Tampa, Fl.

Born in Matanzas, Cuba Mercie was a Radiant, Beautiful, Welcoming, and Loving soul. If you met her once you would never forget her. Her smile would light up the room as soon as she walked in. You felt Love, Warmth, and Kindness in her presence, and like her garden her Love bloomed endlessly making everything and everyone around her better. How lucky we all were to have her in our lives and to be able to experience her unconditional Loving soul.

She truly was a gift from God. We were incredibly blessed to have her as the matriarch of our family. The tree of life and legacy she created from her children to her grandchildren to her husband to her daughters in-law to her sisters to her nieces and nephews is a beautiful testament to the life she led and how Loved she was by all. The example she set, with the Love and Light she gave will be imprinted in the DNA of this family for generations to come.

We LOVE you MOM. You will live on in our hearts forever.

In life, we don't choose our family. Family comes with us when we enter into this World. But the friends, those are chosen by us. And when time takes charge of uniting us with them so close, we don't even think any longer if those friends share your blood or not, they really become your family. That was Mercie for me. 54 years made us sisters. Close sisters. Today, the void she leaves in my heart and in my life, has no word to be described. Today, We celebrate the life of love and care towards all who crossed her path. From now on, let's think of her when we see a flower, and if a butterfly is sitting on it, let's assume is her, enjoying the perfume of it. Till we meet again, dearest sister. You will always be in my heart as the special person you were.

Mercedes - you were a beautiful wife, mother, abuela - you were everything to your family. Now you are their angel and I hope that you will look after them all and comfort them in this difficult time. I wish there was a way to comfort one who grieves - but only time can do that. Sending the Naranjo-Smith family so much love. Richard and Laurie.
