I have had Jenee on my mind lately. I haven't seen her since high school but for some reason I have been thinking of her. I was very saddened to see that when I Googled her name she had passed away. We had lots of good times in high school. I remember she had an old blue car that she called Nelly. Me and my friend Tammy had some great times with Jenee. One of my fondest memories was I did not have a date for the senior prom. Janae's sister Deborah had been dating someone and recently they split up. I asked her to see if he would take me to the prom. She asked him and he agreed. He told her on the day of the prom that his grandmother died. She said you are not getting away with that crap you were taking my friend to the prom. Jenee always was funny and cool to hang around with. I am sorry that she is gone. Alesia Grubbs Mosse
