APR 30, 1940 - MAR 5, 2025

**M**ary Loraine Mortellaro, 84 passed away at St. Joseph's Hospital with family by her side on March 5, 2025.

She had suffered with Lewy Body dementia and lung cancer. Loraine was born on April 30, 1940 in Tampa, FL (Ybor City) to Charles Otis Gonzales and Gladys Louise Thompson.

Loraine graduated from Plant High School. She married Salvatore "Sam" Giuseppe Mortellaro on July 28, 1956 and they were married 48 years when he passed away. Loraine had a realtor license and Insurance broker license. She ran her own insurance brokerage firm for many years prior to retirement. She was a very strong independent woman.

As children of an Airforce Sargent, Loraine and her sister Kerry Johnson traveled all over the world. Loraine considered herself an Airforce Brat. Loraine was a member of St. Josephs Catholic church where she was a member of the Ladies Guild as well as a lector and a Eucharistic Minister for many years. Loraine loved all animals, gardening, camping, going to the beach and walking in the park with her daughter-in-law, Jodie.

Loraine loved her children, grandchildren, and great grandchildren with all of her heart. To them she was known as Grandma, Mema, and Grammy. She never missed an opportunity to support their interests and would often be found attending softball games in West Tampa and baseball games in Zephyrhills. As well as soccer and cheerleading at Tampa Catholic. And never missed a grand parent's day, school celebration or school play at Villa Madonna.

After retiring Loraine dedicated her time to taking care of her grandchildren watching them full time and enjoying the time spent watching them learn and grow. Loraine was survived by two of her children, Darlene Lesko, (Jim), Jason Mortellaro Sr., (Jodie) and daughter in law, Sandy. Her

My sincere condolences to Darlene, Jason and extended family. I grew up next door to Lorraine's mother in law (nana) and remember so many times with her children and her. I especially remember how I would see her drive up to pick them up and she was always so cheerful and always looked professional and pretty. I was always impressed with her way with the kids and how she was so easy to talk to and she always had time for us when now, I know she must have been tired working all day, but she never seemed too tired to listen to us and she was always so friendly. She was like another mom, a friend, and she was a great mom and wife. I know she will be missed greatly but I am so happy to have known her for the years we were close. She is part of my fondest childhood memories. Much love to the family.
