We met Frank and his lovely wife at Sand Pebble on Treasure Island. They were so welcoming and gracious to us. They introduced us around and taught us songs at the Tiki Hut. Every year we would come for our vacation and usually we would go out and Frank would sing Frank Sinatra songs. He had a wonderful voice. He will be missed.

I'm so sorry for your loss! I remember LOTS of fun times at your house since you live right across the street from my family. Your mom and dad welcomed our family as if we were part of yours when we moved in across the street in 1965. I also remember babysitting all of you girls when your parents went "out on the town". It was one of the easiest and closest babysitting jobs I ever had!! I'm very sad to say that I won't be able to attend the service on Saturday as I have a conflict at that time. Will be thinking of all of you. PS I can only imagine the great reunion he had with your mom, Herb and Margaret Outlaw and my parents! Connie Hunt

Frank ... I will never forget your beautiful smile .. you would always say to me, " how is your voice today", "keep taking care of that voice", "remember you will sing in my funeral". We would always laugh and I would say ... ok .. no worries ! Rest in peace my dear friend. Vivian Padron

And you did it! You sang beautifully at my dad's funeral. I know he meant a lot to you because you couldn't finish the last words to Ave Maria. Very emotional moment. Love you!!
