Nilsa Alicea

DEC 27, 1962 - FEB 22, 2026

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways, Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun; Of happy memories that I leave when life is done.

Nilsa my dearest friend I have such wonderful memories of our friendship. We became instant family. I remember how you taught me in one hour how to drive your stick shift car cause you needed me to pick up the girls from school and you had to go somewhere important. Boy how much fun and laughter we had. You are laughing in Heaven now. Love you mi Hermana. Millie
