Joe is my second cousin & my son Jason's Godfather. I knew he had to be the ONE because he came to the hospital Christmas Eve to visit a friend and found out Jason was just born. I was so happy to see him and I knew at that moment God had a hand in this. We are so very blessed to have him with us for 4 generations. He was always a part of our family celebrations, Christmas Eve at my Grandparents house, then countless gatherings at my parents house, Rod & Jean, my home & most recent Jason & Kelly's house. He was the life of the party with his beautiful smile and especially his hilarious quick wit! We all admired his great Faith and sincere dedication to all his family and dear friends. Joe was always the first person to show up to help everyone, no matter what was happening. He made a stamp on our hearts that will be with us always with love and admiration. We are pretty sure he raced up to Heaven! Love you Joe!!!!
