

Carlos St. Louis

October 27, 1980 - February 19, 2019

One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there was one only. This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints, so I said to the Lord, "You promised me Lord, that if I followed you, you would walk with me always. But I have noticed that during the most trying periods of my life there has only been one set of footprints in the sand. Why, when I needed you most, have you not been there for me?" The Lord replied, "The years when you have seen only one set of footprints, my child, is when I carried you."

“ Carlos St Louis known as Carlie to me is my bestfriend. Carlie and I met working together. After only one conversation we became friends along the way we developed a Bond that could not be broken. We was always together. I miss him so much. We laughed joked talked for hours made ways to be there for one another. We were planning to go on a cruise in July 2019. Everybody he came in contact with thought very highly of him

I love you friend

“ Carlos worked for me a few months ago, he left such an impression on is coworkers and myself. He was kind, thoughtful, joyful and a pleasure to work with. We were all very saddened by this tragic and unexpected news. Our thoughts and prayers are with him and his family. We hope the perpetrators are caught and brought to a swift justice before they bring such loss to others. Our sincere condolences.
