“ I knew that Glenda was a very kind and sweet person, very good memories of her, one of the pictures that always be in mind was the time that Uncle Pepe send a picture of the girls maybe 16, very elegant, long dress, one in pink and the other in blue, when that picture reached Cuba, I was fascinated by her beauty, like a Princess walking to a ball, now her beauty will stay forever in Heaven like an angel looking thru a glass, in her side Uncle Pepe, Gloria, and Maki, her sweet grandmother, with her white hair. You are not alone no more, you among loves ones, no more pain, only joy, goodbye sweet and innocent Glenda, till I see you again.

“ I am stunned at the news that this beautiful woman has passed away. I met Gloria and her sister when we attended the university of Tampa in downtown Tampa in 1970. It was a pleasure to have known her. My deepest condolences to her son Felix, grand children, her sister and family. So sorry about your loss. May she rest in peace in heaven.
