“ As I was privileged to say at the service, Scriptures say it is more blessed to give than to receive; thus, Joe Sr. was the most blessed man to ever walk the earth. And I was blessed to call him friend.

“ Joe was a wonderful man and will truly be missed. He was always cracking jokes and making others laugh. His generosity and thoughtfulness will never be forgotten. Dad and Joe don't have to wait for Wednesday's lunch date to roll around anymore; now they're having it everyday! With deepest condolences,

“ My wife and I are deeply sorry for the passing of Joe. We send our sincere sympathy and condolences to his wife, sons and their families and to his brother, Henry and wife along with the remaining members of his family and friends. My family use to get our car repairs and gasoline from the service station located in Ybor city for many years while the parents operated the business. My uncle Joe Garcia was a car mechanic there for several years. I remember having classes at USF with Joe back in the late 60s. I often talked to him at the Publix supermarket at Hanley and Waters where we would reminisce about the "good old days." Joe's passing will leave a void in many people's lives, especially his great smile. May God rest his soul.

Praying for God's comfort for all of you.

“ So sorry to hear about the passing of Joe. Our family considered your family a part of ours. My father loved Joe his father Henry and Henry Jr. so much. They spent a lot of time together at the station and the Tropicana, where they had a table reserved for them always. I have many fond memories of them all. Wonderful people. The Cacciatore (Joe) family sends our deepest condolences to you all.
