“ *Leonardo was a nice and kind young man who would've done anything for his fiancé and her kids. They loved him to death and he loved them to death. He was always so nice to me when I went over to their house he made me feel at home I'm glad I got to him that he was a big part of my life he always told me to have a nice day also spoke he always made people laugh and smile with how he treated people. He never looked down on anyone and was always there for his friends and family it breaks my heart that i won't to get tell him hello or have a good day or how are you. Leo will be missed and loved by many. We will always hold him dear in our hearts 💔😭*

“ Leonardo was a nice and kind young man who was always willing to go above and beyond for his fiancé and her kids. They loved him to death and he loved them to death he always made people laugh and smile if you would've met him you would know why everyone loved him. It's breaks my heart that we won't see him anymore. He was so nice to me every time I went over to their house he made it feel like home anytime I was over there.
