“ To the Lamb family I am deeply sorry for your loss. On behalf of Hyde Park Valet, we are deeply saddened to hear about the passing of Tommy. He was always so great to us, and treated us like family we had a mutual understanding of where his car was to be parked and when he's ready to have it unlocked! Would enjoy seeing Tommy always in the best clothing, and always consistent.

“ I want to say what a wonderful caring person Tom was to my sons when they were young.
I had not seen Tom much in recent years but he was always supportive and giving of his time and energy. He was like and loved by many. Can't tell you how many times he, my ex-wife and I shared meals with him. He always came to my childrens' birthday parties when they were young. This is truly a loss to society. Rest in Peace Tom.

“ When I think of Tommy Lamb, I think of DESIGN, Tommy loved and created the most amazing spaces and made so many of our homes perfect. I am one of the lucky ones to live in a Tommy Lamb designed home. I think of LOYAL, Tommy was loyal and we worked together for almost 20 years. I think of FRIEND, Tommy was one of my dear friends who I adored and who adored me and said so in his last text to me. I think of GENEROUS, Tommy was very generous contributing to so many causes when he was called upon. He donated to The Crisis Center of Tampa Bay and Jesuit when I asked for money without hesitation. I know I was not the only one who called upon him for his generosity. There were many and he donated his time and money to many. And I cannot leave out the following because it was a part of Tommy.....I think of STYLE, Tommy loved his Prada shoes, his Cartier Glasses and Watches and his Armani Clothes.

And most important I think of LOVE, Tommy loved his family. He was deeply saddened by the loss of his father and cared so deeply for his mother. I am so sad for your loss and cannot imagine the pain of losing both of these fine men. Jack and my Mother are sort of mirror images and Tommy and I realized a long time ago we were raised similarly in great families who believed in education and taking care of our future, our children.

Tommy will be forever missed and my work will never be the same without you around.

God Speed Tommy!

“ Tommy worked on our Hyde Park home several years ago and was finalizing our outdoor kitchen when he past. Our hearts are broken and no one can ever fill his shoes. He was blessed with a gift and a talent and I always trusted his judgement; he was always right. He touched so many lives in such positive ways; our thoughts and prayers are with his family.

“ I am so sorry to hear this sad news. Tommy was in my class at Jesuit. He was one of the smartest guys in the class. One of the nicest too. It is certainly no surprise that he had such a successful career. My condolences and prayers go out to his family and friends.

“ I am so devastated to hear about Tommy. His unparalleled talents in design in all areas , architecture, his community passion and personal friendships have given Tampa gifts which will keep his memory alive. Even after I moved away from Tampa 2 years ago, we kept in touch which with all he did in an hour much less a day, shows what an amazing man he was.
I send my warmest thoughts and prayers to his family and to the entire Tampa Community.

“ Tom has been a friend over thirty years. I first met Tom at China Moon Cafe. One of my early jobs in Tampa. Tom would dine at the bar regularly and myself and the rest of the staff always enjoyed him. More recently, I've enjoyed talking with him at my work at Faces of South Tampa. We shared a flight from LA to Tampa and Michael Lawrence and I had to chase him down at baggage as Tom left his LV bag on the plane. Also great memories at the Murtagh's party at Malio's Prime spending quality time with Tom. Tom was a great guy and so talented. He is loved and missed.

“ So sad to hear of Tommy's passing. We haven't crossed paths in decades but probably met as youngsters attending Krewe of Sant Yago events. He and a friend would meet me at the Austin Theater a few times in our 6th or 7th grade summer. We'd ride our bikes there and watch a movie. I specifically remember seeing "Grease" with them and all of us dancing and singing our way towards the exit. He was a sweet young man, always smiling and ready to have fun. My sympathies to his family and close friends, as I am sure he will be missed. Rest in peace, Tommy.

“ Tommy will always live in my heart and in my home. We have been friends and confidants for each other for almost 25 years. He reminded me often that Reed and I were his very first clients in Tampa. He knew that made me happy. We had so much confidence building our current home with Tommy as the creative force and our guiding light. I can't help but feel so fortunate to have so many memories of my talented friend. My heart ached when I received the news of his passing. When I think of Tommy up in Heaven with his beloved Dad, I find some peace. I pray for the Lamb family, especially his mother Nora, Paul and Debbie and send my condolences to Maria Gigante, Tommy's right hand woman on the job. They made a great team. She watched over him until the very end.

On behalf of my family, I wish to extend our deepest sympathy and love to the Lamb family. We will always be here for you.

Tommy ... you gave it a good fight!
One day I'll see you in Paradise my friend - be ready to work your magic!
We Love you and will miss you so much!

“ We are at a great loss for words and in total disbelief that Tommy is no more. Tampa has lost it's genius luxury home designer. Tampa's own Addison Mizner is no more. We now can only drive to the homes he envisioned in his mind and then designed on paper and had them built. No new one's will be built. There will be no more big Design and Development- Thomas Everett Lamb sign boards.

He was a larger in life personality with an infectious laughter. You could not get angry at him.

One day there will be a tour of homes designed by Tom Lamb.

Rest in peace my friend in the House of Songs.

Anahita and I will always live in and enjoy your creation that you designed for us.

“ Nora, it is in these difficult times in life that the words of friends bring us a bit of comfort. While I search for those words I know that there are no words to ease such pain. He is not alone and safe in Jack’s arms. Keep that thought in your mind and embrace Debra and Paul who need you still. Prayer and much love to you.
